July 2021

Dear Parent/Carer,

I am writing to you on the final day of the school year to say a huge thank you for all of your support over the last year. We have had another year with many changes due to the impact of Covid but one thing I am most-proud of is how we have all pulled together at EVA as a school and as a community. Without your ongoing support, we would not have had nearly as many successes as we have! The pupils, staff and parents have certainly made me very proud to serve the community at EVA.

Mrs Lister comes to the end of her contract this summer so I would like to thank Mrs Lister for all of her work with Year 1. I know the pupils in her class have enjoyed learning in Y1L. I would also like to thank all of the staff and governors for their commitment to making EVA the best that it can be. I would also like to wish all of our outgoing Y6 pupils good luck for their onward journeys to secondary school. They have been a brilliant cohort of pupils that I will miss very much. I hope that they don't feel too cool to come back and visit us next year (restrictions permitting) to tell us how they're getting on!

All pupils have completed transition in their new classes and had a great time. Below is the class structure for September. I will be writing to parents over the summer holidays to confirm start and finish times and any Covid restrictions (dependant on any changes over summer). At the moment it looks as though we should be able to have a bit more normality in September. I'm desperate to get my Y5 and Y6 athletics team up and running for a start!
