Principal: Mrs E Clark

25 September 2020

Dear parent / carer

## Revised times

We continue to update and review our procedures in school to ensure the safety of our staff, pupils and parents. One of the things that we would like to do is to reduce waiting times in between some of the drop offs and collections as they are currently running smoothly. This should also ensure that you are able to leave the school playground and surrounding streets a little quicker, to keep everyone safe. Below are the updated entry times, collection times and doors for entry. Not all year groups have changed.

Class	Entry time	Door	Exit
F1P	8.40am	Main door	11.40am
F2C & F2H	8.50am	Main door	2.50pm
Y1L & Y1/2H	8.40am	Y1 door	3.00pm
Y2H & Y3T	8.50am	Staveley Street	3.10pm
Y3/4CT & Y4D	9.00am	Staveley Street	3.20pm
Y5/6J & Y6A	8.50am	Y1 door	3.10pm

Please remember to support us with social distancing in the playground and surrounding streets to keep everyone safe. If you arrive late, please be aware that you may have to wait before your child is able to enter. This is so that the bubbles are not mixing as they come through the doors.

I hope that some of the changes in times help with the gaps where you have more than one child. Thank you again for your understanding and support whilst we continue to work to keep everyone safe.

Yours sincerely

Mrs E Clark  
Principal

## Reach for the Stars

Designated Safeguarding Officer: Mrs R Bewick

Deputy Safeguarding Officer: Mrs E Clark
