

Summer Term

2023 - 2024

Key Enquiry Question:
What is the impact of natural disasters?

Key Theme:
Sustainability and impact on our world

3T

Teacher:

Mrs Towndrow

Teaching Assistant

Mrs Tinkler and Mrs Wakefield

Teacher PPA cover:

Mrs Tinkler

The following information has been provided by the class teacher. It provides an outline of the content of this terms curriculum.

How you can help

Children

- Read at home every day and get an adult to listen to you at least three times a week - make sure this is logged on WeRead.
- Listen to the feedback from your teacher and work on trying to make the improvements they suggest.
- Complete all homework tasks set on Seesaw on time
- Follow the school code of learning.

Parents

- Ensure your child attends school daily
- Listen to them read at least three times a week and this on WeRead to confirm they have done so.
- Help your child with their homework on Seesaw.
- Make sure that they have an indoor and outdoor PE kit in school throughout the week.
- Provide them with a bottle of water for the day.
- Encourage positive behaviour at school.

Communication

Please inform school before 9.30 of your child's absence. A team of Learning Support Assistants are available daily on your child's door to take messages to be passed on.

Appointments to see your class teacher can be arranged by the school office (if required outside of parents evening).

Mrs Day: EYFS Phase leader

Mrs Brooke: KS1 Phase Leader/SENDCO

Mrs Towndrow: LKS2 Phase Leader

Mrs Dowse: UKS2 Phase Leader/Vice Principal
Appointments with Mrs Clark (Principal), or Mrs Dowse (Vice Principal) can be made by the school office.

General information

PE - Monday - Indoor PE
Thursday - Outdoor PE

Educational Visits:

Library Visit TBC in Summer I

Wednesday 5th July - Virtual reality exploration of volcanoes

Homework

- Will be handed out on a **Friday** and should be handed in on a **Thursday** - this will be set via our online home learning platform, Seesaw.
- Spellings will be sent home weekly via Seesaw, in addition to one piece of home learning linked to our curriculum and units covered in school.
- Pupils have their own log ins for Times Table Rockstars and are encouraged to practise their times tables regularly at home.
- Pupils also have access to mathletics, where they can practise various maths skills linked to our current maths units in school.
- Home usage will be monitored weekly.
- Pupils will be given regular feedback on their home learning via seesaw.

English- Our class book is Kensuke's Kingdom by Michael Morpurgo.
-A narrative (story)
- Poetry
- Newspaper report

Maths (White Rose) - Our focus this term will be on the following units:
- Length and perimeter
- Fractions
- Time
- Money

Art
Summer 1: Painting
How can contrast be created between the background and foreground of a painting?

Music
Summer 1 - Let's Pitch
Summer 2 – Let's play

Science (CUSP) – Properties and Changes in Materials
Ethical Question: What would happen if the Earth lost its magnetic force (gravity)?

Children will learn:

- compare how things move on different surfaces
- notice that some forces need contact between 2 objects, but magnetic forces can act at a distance
- observe how magnets attract or repel each other and attract some materials and not others
- compare and group together a variety of everyday materials on the basis of whether they are attracted to a magnet, and identify some magnetic materials
- describe magnets as having 2 poles
- predict whether 2 magnets will attract or repel each other,

Kensuke's Kingdom

PE – Your PE
